(d) whether the Administrator of the NDMC have deliberately favoured in the allotment of shops; and

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR): (a) to (c) Yes, Sir. It was initially decided by the New Delhi Municipal Council to accommodate all the 92 rehabilitation shops at Baird Lane in the New Shopping Complex, but it was later considered more feasible to accommodate only half the number of shops in the said Complex in the first phase so as to allow NDMC to meet the huge expenditure incurred on construction of this Complex by allotting the remaining shops in the Complex on tender basis. The Hon'ble High Court of Delhi which subsequently considered the matter upheld the decision taken by the NDMC and also rejected the plea for any change in draw of lots. It is envisaged to accommodate the remaining 46 rehabilitation shops at Baird Lane in the Complex in Phase-II of its construction.
